### NEXT STOP: Inspiration

We invite you and your team to experience an invigorating day of:

- Hands-on experiential workshops
- A Self Care Zone w/outdoor yoga
- A special leadership track
- FREE curriculum giveaways!
- Yummy food and amazing people

Join us for comprehensive program design tools and ideas to lift your summer programming. Packed with intentional ideas to create hands-on, experiential learning!

Our **Program Practices** track will offer strategies to integrate arts, technology, science and math using fun games, while our **Program Design** track will support leaders to stuff their toolbox with thematic curriculum development tools, staff hiring and interviewing techniques, and program design ideas.

This extraordinary event will rejuvenate your passion and boost your direction for quality programming.
